Whether it is in the office, club, reception area, hotel or shop the desire to produce the perfect cup of coffee has never been greater. As people's tastes change and the Café Society becomes an integral part of our lives, so our expectations (and demands) become that much higher.

Lavazza has been manufacturing great coffee for over a 100 years and has a wealth of experience in delivering exceptional quality and innovation into the Office and Business environment. Lavazza OCS (Office Coffee Systems) provides the ultimate in 'away from home' coffee solutions – and all at the touch of a button!

Lavazza BLUE™ is a state of the art capsule system which offers a wide range of coffee products. Our **Di' Più** range of non coffee products enhance the overall package with a wide range of styles and flavours. The capsules ensure the quality and freshness of the product is maintained until the actual point of use, delivering the perfect cup of coffee, tea and other drinks in a clean and managed environment.

Along with true Italian taste and style comes technically advanced machines which have been created to dispense drinks quickly and efficiently.
